-FOLLOW UP ON EMAIL READING. Hi, Mike Just wanted to let you know that the email reading was just terrific. I really look forward to what is ahead for me. I know in my heart that I am here for a reason and I also know that my time with Richard is over. I understand all the things spirit brought through and I honor their messages. I know I will be fine and my life is going to change...for the better. I have always trusted in my higher self and know that my path will lead me to where I need to be and towards my highest good. Thank you, Mike, you are so dear and special to me. I continue to read your book and love it. You are a multi-talented writer and soon will gain the recognition for your creative spirit. I just plain love ya, fellow, always will. I don't close the door to meeting someone in the future. I have always felt there is someone special for me. I have felt it stronger living out here. I find myself just looking around at times and watching people. Like I am waiting for someone. I know it is coming, I feel it inside. So I honor my messages and stand back and allow my guides and angels to place me into the path of the next chapter of my life. Heartfelt thanks. Love and light my special angel....Barb B.

-Michael, You were right! I had a reading by you 3 weeks ago in Indpls, IN at New Age People. You were right about my girlfriend Lori, having her liver transplanted and making it through ok. Thank you so much. I think your prediction helped her to remain positive and get through this better. Again, Thank you! -Jane Shepherd

-I always love your readings. You always have a really good message for me and I come Hi Mike, Feel free to share this story with whomever you like...I think it should be shared and hope you will too. My brother and I came to the psychic fair the first week in May. I sat for a reading and received no earth shattering news or revelations. That was OK because my one and only question concerned my late husband not being in touch with me. You were drawn to my brother standing nearby, and with good reason. He was recently separated from his wife of six years and desperately wanted to continue his marriage. Finally it was Terry's turn and I wandered away so the two of you could have some privacy. He was nervous and afraid he wouldn't remember anything, so it was especially important that he knew you were taping the session. He was so very relieved when you said he and his wife would reconcile! On the way home we played my tape but when we put his in the tape was blank!! We tried both sides and re-wound. NOTHING at all! He was devastated. I told him what time the fair would be over and he decided to go back and see you. But NOT before going into his house and trying the tape in his player. Blank. On the way back to Sharonville he tried it in his car- nothing on either side. Weird, huh? So when he saw you and explained that the tape was blank you said sometimes your guides or angels don't want you to know too much of the future. You checked your tape player and when you put my tape in it played fine. Then you put Terry's in and it played also!! He was in shock to say the least. Mike, here's the rest of the story...Terry and his wife are back together and working things out. I couldn't be happier for them. Coming to see you made all the difference in the world and I thought you'd like to know how it turned out....but hey, you're psychic so I guess you already knew!!! LOL. Thanks Mike and would you please tell Chuck to let me know he's around. Judy Gill

-Thanks, Michael!!!:) This is very good. I was just talking about a movie called "The Secret" which is about The Laws of Attraction...too funny. The dreams about love I do believe have already started...and I do hum a lot of music or to tunes in my head. I do feel like a weight has been lifted. Thanks again...Take care, -Christa

-Mike, One more thing. You mentioned that one of Nicole and Ken's lives was somewhere near Italy. Nicole wants to go to Italy and is trying to figure out a way (budget and time) to get there! She eats mostly Italian. Ken is part Italian. I totally strongly love Italian (old world décor). I want to go there more than anywhere out of the country. My boyfriend, Bill, is Italian! You amaze me!!!! - Rhonda R.

-I thank you very much Michael, on Sophia's behalf, for her beautiful reading! Funny you should talk about Sophia Loren. I actually did name her from that name cause I admired Sophia Loren and how beautiful she was. This was a very in depth reading! Very beautiful! All of us thank you dearly! You have such a wonderful talent! Bless you, Michael! Take care! -Sincerely, Tammy & Family.

-Michael, Thank you for putting me in touch with Brenda. She says she has found him...and with my ex best friend. As such it has freed me from such guilt that I felt that I had failed again. I pray this has all been worth it and you are right...that I will not only survive, but prosper... Thank you again..I listen to my reading often and it inspires me.

-Hello Mike, I wanted to thank you for the reading you did for me and for lifting my spirits the way

you did. I came to the show feeling very down and very discouraged. Thank you for making me feel like an angel. And that I am ok. I am including a photo of me with my children. This is really who you did the reading for, for them. Because you gave me hope and the strength to pick myself up. And for that, I am a better mom. You will hear from me again. Take care of yourself. Thank you and God bless you. Sharon D.
